SEASONAL AGRICULTURAL PERMIT REQUIREMENTS

A company/farmer can obtain a permit to use a roadway for the frost law season.

The current Permit Fee: $50.00 Application Fee

$40/hr Estimated Inspection Fee*

This amount will be determined based on the distance traveled by TCRC Staff from Caro Office to and from the site. Thirty miles or less 1 hour charge. More than 30 miles 2 hour charge.

The company/farmer must apply for a Seasonal Agricultural Transportation permit.

Supply a legible copy of the route with weights in and out (at all stops) plus axle configuration for all trucks.
It will not be necessary to complete the Route Notification Request Form for each move in to TCRC.

Weights must STILL be legal subject to State Law 257.722(5) or 257.725, and Tuscola County Road Commission MUST be called before each move. (We document on permit.)

The company/farmer must supply Liability Insurance of at least $500,000 with permit application.

Once all above is supplied the permit must be approved by Management.

With the approved permit, the fee must be collected before issuing.

The Weighmaster/or TCRC Staff will take video before and after of road conditions.

The Weighmaster and Management will review the video and verify there is indeed no damage.

If there is damage-The permit holder will be notified in writing of needed repairs and an estimate will be determined.

Rules for the Movement of Oversize or Overweight Vehicles and Loads:
By Signing the Permit, the Applicant is acknowledging that they have read and understand the County Road Commission five page Rules for Movement of Oversize or Overweight Vehicles and Loads within Tuscola County. The rules are available on our website at www.tuscolaroad.org/Permits or a hard copy can be obtained from the Caro Office by request.
