

Fixed Object Removal Public Hearing

The Tuscola County Road Commission has contracted with R.S. Scott Associates of Alpena, Michigan to design a fixed objects (trees, rocks, headwalls, etc) removal project from within 10 feet of the edge of the roadway or as marked on the plan sheets, on 13.4 miles. This is a federally funded safety project through the Michigan Department of Transportation. Spicer Group will be assisting the County with on-site inspection. Trees cut will be removed, unless the Road Commission is contacted. Stumps will be ground and limbs will be chipped and hauled away. Work will be coordinated with overhead utility companies. A public hearing has been scheduled for: Thursday, August 23, 2018 at 9:00 a.m. at 1733 S. Mertz Road, Caro MI 48723.

Any questions please contact R.S. Scott Associates 989.354.3178 or the Road Commission Engineer, Michele Zaverucha, P.E. 989.673.2128 ext 107 or mzaverucha@tuscolaroad.org. The project is planned for winter 2018/2019.

Fixed Object Removal Locations:

2019 Grant

Township(s)	Route Name	Boundary	Length (mile)
Fremont	Chambers	Waterman to M-46	1.00
